

More than a golf tournament. A story worth telling.

Jimmy O's final year — and the first year we're bringing the cameras.

WHY THIS MATTERS

Brown County Golf Course has hosted this amateur for decades. This year is Jimmy O's last as the longtime Pro — and we're capturing it on film and in photographs so families, friends, and future players can share in every shot.

OUR MISSION — GUIDE4GOOD

[One or two sentences about Guide4Good — what it is and what it stands for.]
Everything we do here is about uplifting the people around the game.

THE NURSES TOUR — HONORING MOM

[Short paragraph about your Mom and the Nurses Tour — her name, what she did, and why this tour exists. The tournament helps fund and tell that story.]

Three ways to help.

1 Refer a sponsor

Know a brand or business who'd love a spot on the leaderboard? Send them our way.

2 Share our story

Forward this page, post the link, tell a golfer. The more eyes, the more we can do.

3 Contribute or buy

Crowdfund the cameras, grab a bookmark, or pre-order a course print.
